

DIARY NOTES

ADD/A

27 March 1953

25X1A9A

25X1A9A

1. Asked [] to pass on to Larry Houston the possible interest of [] in a legal position with the Government.

25X1A9A

2. [] Mr. Wolf, and I discussed space requirements again at which time it was indicated that detailed space planning might make it possible to give DD/P offices the required space in I, J, K, and L Buildings, and, at the same time, leave Inspection and Security, the Finance Division, and Communications in that area.

25X1A9A

3. Messrs. Wolf, Saunders, [] Pforzheimer, and I spent the afternoon discussing the Briefing for Mr. Dulles which is to take place on Monday prior to his appearance before the Director of the Budget on Wednesday. The general outline of the Briefing was agreed upon and we are to meet again at 10:30 a.m. on Monday morning to make final preparations prior to the Briefing with Mr. Dulles that afternoon.

25X1A9A

4. Mr. Carey reported that [] Office had been transferred to the care of [] There is no very clear indication yet as to the prognosis of the case.

of students who are studying under Fulbright or Rhodes Scholarships. (ER-3-8025)
(Forwarded to the AD/P.)

25X1 9. The ADD/A referred to the Acting General Counsel for comment and coordination with the Inspection and Security Office a memorandum dated 25 March 1953 addressed to the National Security Council from the Executive Secretary, NSC, sub: "NATO Agreements and Protocol and Implementing Legislation", and requested that he furnish his comments to [] or Mr. Amory by noon today. The Acting General Counsel was also instructed to relay the comments to the ADD/A for his information.

25X1A9A 10. The ADD/A approved of the appointment (effective 29 March 1953) of John [] as Special Assistant to the DD/A.

25X1A9A 11. The ADD/A forwarded to Mr. Wisner a summary of an investigation which he made surrounding the assignment of [] A copy of the memorandum was sent to the CAO/DDP. (ER-3-8487)

25X1 14. The ADD/A forwarded to the CAO/DDP with the following notation a memorandum dated 17 March 1953 to the Personnel Director from the Chief, MPD, sub: "Establishment of CIA as a Military Careerist Field" and attachment dated 24 February 1953 to the DD/A from the CAO/DDP, same subject: "If MPD approach is satisfactory, we can direct that it be explored. I would suggest that [] get together and discuss it further before we go to the Defense Department." (ER-3-8177; 7890) 25X1

15. The ADD/A approved of a revised table of organization for the Logistics Office; no change in the over-all ceiling figure was involved. In a separate memorandum on the same subject addressed to the Chief, Logistics Office, the ADD/A made several observations concerning the revision and requested that constant vigilance be exercised in the adaptation of approved procedures. (ER-3-7929-7929A)
